Our Diocese: Christopher our Diocesan Bishop; Bishop Karowei the Bishop of Woolwich; St Luke, Woodside

World Church: the Bishops, priests and people of the Episcopal Church

Our Community: those affected by infertility and baby loss (baby loss awareness week was 9-15 Oct) - help us to acknowledge the scale and impact of infertility and baby loss and support affected families; for the mission of your church, may we respond to the needs of our community and grow in outreach

The Sick: all those known to us who are ill and suffering at this time

The Departed: those who have died and for family and friends who are grieving

A prayer in lockdown written by the Dean of Southwark, Very Revd. Andrew Nunn:

Ever present God, be with us in our isolation, be close to us in our distancing, be healing in our sickness, be joy in our sadness, be light in our darkness, be wisdom in our confusion, be all that is familiar when all is unfamiliar, that when our doors reopen, we may with the zeal of Pentecost inhabit our communities and speak of your goodness to an emerging world. For Jesus' sake. Amen.

Please pray for all who are involved in the response to this crisis worldwide:

Loving God, source of healing and comfort, fill us with your grace, that the sick may be made whole, that those who care for us may be strengthened, that the anxious may be calmed, and those most vulnerable be protected in the power of Spirit in the faith of Jesus Christ our Lord. Amen.

Please let the parish office know of any one in the congregation who is unwell.
