

The Creation Care scheme aims to encourage households to make changes to care for God's earth. Wherever you are on your creation care journey, creation care provides ideas for their next steps, and recognises the progress you've made.

As part of our commitment towards becoming an EcoChurch, we would like to encourage everyone in our parish to complete a lifestyle survey via www.creationcare.org.uk and work towards a Bronze, Silver or Gold household award. Once logged in, please type St Margaret's Church, Lee in the church affiliation box so that we can celebrate your successes with you!

For more information and resources, see the creation care website, facebook and twitter pages or contact the Visitors' Centre.
