

A GUIDE FOR HIRERS

St Margaret's Church prides itself on being a centre for social and cultural activities within the local community. There is full access for the disabled, modern toilet facilities in the Crypt and easy internal access from the church to the Crypt via a double staircase and lift.

PERFORMANCES AND EVENTS

- **The Church:** St Margaret's is primarily a church and is designed and furnished as such. The central nave has pews. The outer aisles can be either open spaces or can be filled with high quality upholstered folding chairs, which would have to be ordered at the time of booking. It is a welcoming space, has good acoustics, efficient heating and flexible lighting. We shall remove the Communion Table for you and ask that you respect its function and do not allow coats and instruments to be placed on it. We must ask you **not to move the lectern**, as it is extremely heavy and could cause severe injury if it toppled. Please replace anything you move after your event has finished.
- **Piano:** You are welcome to use the Bechstein grand piano. It is very heavy indeed and requires 6 people to lift it onto the staging. The piano should not be wheeled over carpet. If notice is given we can usually arrange to move it for you, but it is helpful, and essential on a Saturday evening, that you organise its return to the side aisle. Please be very careful for your own safety and for the safety of the piano too. We tune the piano regularly, but you are welcome to have it re-tuned at your own expense.
- **Organ:** The organ is available to experienced organists for an additional fee (£70). It is a first class instrument and is tuned regularly. Arrangements for its use must be made with the Organist and Director of Music.
- **Staging and extra seating:** We have a small amount of flexible temporary staging, which can be available for theatrical or musical performances of different kinds. We also have a conductor's rostrum and a higher tier for a choir. There is a sound system for which advance instruction will be required. Stacking chairs are kept under the organ.
- **Heating:** The church is very effectively heated by fan convector heaters, but they are noisy at full output, so you will be advised on how to adjust the speed control during the actual performance. The boiler time setting will have been adjusted as part of the booking arrangement.
- **Advertising:** We are always happy to advertise your event through our website, A4 posters and outside the church. Please let us have any details when you make your booking.

PRS FOR MUSIC

St Margaret's Church is registered with PRS for Music as a live music venue. PRS license organisations to play, perform or make available copyright music on behalf of their members and those of overseas societies, distributing the royalties to them fairly and efficiently. PRS promote and protect the value of copyright. If you are holding a concert or recital in St Margaret's you will be asked to provide information to the office so that we can pass this information on to PRS who will calculate the fees due for your event. We will need a copy of your programme, the fee charged for entry and the number of attendees. **It is the hirer's responsibility to collect and submit this data as soon as possible after the event.** Please note that there is a fee payable even if you do not charge for entry. You will be invoiced separately for the PRS fee after the event (PRS fees are calculated quarterly). If you would like to find out more about how PRS fees are calculated you can visit the PRS website at www.prsformusic.com.

OTHER EVENTS AND USE OF THE CRYPT

- **Access:** The Crypt can be accessed from within the church but there is external access from the south side of the church when the Crypt is used separately for a meeting. There is both staircase and ramp access with full lighting. The Crypt has a suite of modern toilet facilities including a disabled-access toilet.

PARISH CHURCH OF ST MARGARET, LEE

Parish Office:

The Visitor's Centre, Brandram Road, London, SE13 5EA

The lighting can be controlled to give an indirect aesthetic background illumination or increased with directional spots for (e.g.) seminar presentations. We have no window blinds, a fact which may need to be taken into account for presentations. PLEASE ENSURE THAT ALL LIGHTS, INCLUDING DIMMERS, ARE TURNED OFF WHEN YOU LEAVE.
- **Kitchen:** There is a well-equipped kitchen with oven (**for reheating only, not cooking**), water heater and a serving hatch to the meeting area. There is a range of crockery and cutlery. Please ensure the kitchen is left clean and tidy, as you have found it.
- **Bar:** St Margaret's PCC hold a Premises Licence as a Designated Premises Supervisor Committee. This enables alcohol to be served in the Crypt during licensing hours. With prior agreement we allow regular hirers to run their own bar during functions. Permission to run your own bar should be discussed with the facilities manager at the time of booking and you will be required to sign and strictly comply with our St Margaret's Alcohol Licensing Agreement for Hirers.

ST MARGARET'S HEALTH AND SAFETY ISSUES FOR HIRERS

It is vital that everyone who hires St Margaret's Church, the Crypt or the Visitors' Centre organise their activities in a safe and responsible manner.

NO SMOKING AND ALCOHOL POLICY

There is a strict no smoking policy in all our buildings. Wine and bottled beer only is allowed to be served in the Crypt if a prior agreement has been made.

EMERGENCY PROCEDURES (Full evacuation procedures can be found at the end of this document)

If there were an emergency, it is vital that everyone is able to exit quickly and safely wherever they are in the building. As a hirer, **it is your responsibility** to manage your group to ensure that everyone is safe. Evacuation procedures can be found over each Call-point and by each exit. Follow procedures – call 999 and give the full address and postcode:

St Margaret's Church, Lee Terrace, London, SE13 5DN

or

The Visitors' Centre, Brandram Road, London SE13 5EA

Please ensure that as the group organiser, you know where the **emergency exits** are and that you do not block them in anyway with chairs or tables. Our designated **Meeting Point** is on the grass semi-circular area in front of the church.

Please make sure you know where all the **fire extinguishers** and **fire blankets** are and what they can be used for. Please note that the equipment should only be used after training - contact the church office if this is required. These are inspected every year to ensure they are fit for purpose (as are all our gas appliances and electrics). There is a **smoke and carbon oxide alarm** outside the kitchen.

If your attendees bring **buggies and pushchairs** to the event, please ask parents and carers to park them in a responsible manner, not blocking exits.

There are three First Aid Kits and Accident Log Files on site. One **First Aid Kit, Eye Bath Kit and Accident File** is located on the shelf at the back of the church opposite the door to the tower, the second **First Aid Kit and Accident File** is in the kitchen in the Crypt and the third **First Aid Kit and Accident File** is located in the kitchen in the Visitors' Centre. Please fill the Accident Log in when necessary so that we can build up a picture of any hazards and do something about them.

SAFEGUARDING POLICIES FOR CHILDREN AND VULNERABLE ADULTS – VERY IMPORTANT

St Margaret's have policies for Safeguarding Children and Vulnerable Adults (see below) in line with Home Office and Southwark Diocese guidelines and as a result we **strongly recommend** the following for those that hire our premises and organise activities involving children and/ or vulnerable adults (note you will be asked to sign our booking form saying that you have seen our Safeguarding Policies and will be following it):

- activities should be run with at least two adults present (if their parent or carer is not present), at least one of whom should be **DBS checked** (Disclosure and Barring Service). A copy of the DBS certificate(s) should be sent to the Church along with the booking form.
- keep an up-to-date **address list** of attendees & record relevant medical details including allergies

PUBLIC LIABILITY INSURANCE

Hirers are required to have public liability insurance cover. Organisations that operate on a regular basis should already hold this insurance. Individuals hiring the premises for a private function should check with their household insurers to ensure that the public liability cover would extend to include the organising of such an event. It is the responsibility of the hirer to ensure this cover is in place before the event takes place.

PRIVATE PROPERTY

Private equipment and personal items brought onto the premises are done so entirely at the owner's risk. **No** responsibility can be taken for loss or damage to private items. Any items left so as to cause hazard, nuisance, or impediment to church operations will be removed.

CLEANING AND CLEARING UP

The Church and the Crypt are cleaned regularly. The spaces are well used during the day and the evenings, so please remember that another group may be meeting after you. With this in mind, please ensure that if you have had a "messy" activity that you sweep or Hoover the floor afterwards and leave the space as you found it. It is particularly important that you put away all the chairs and tables in their right place.

FINALLY, BEFORE YOU LEAVE

Could we kindly ask the group organiser to:

- check that the toilets have been left in good order and turn off the lights
- shut and lock all windows and doors
